H.R. 434

An act to provide for the conveyance of small parcels of land in the Carson National Forest and the Santa Fe National Forest, New Mexico, to the village of El Rito and the town of Jemez Springs, New Mexico

As cleared by the Congress on August 3, 1998

H.R. 434 would direct the Secretary of Agriculture to convey about one acre of federal land in the Santa Fe National Forest to the town of Jemez Springs, New Mexico. H.R. 434 could affect direct spending by increasing offsetting receipts from the town's payment for the property. However, CBO estimates that any such effect would total less than \$50,000 over the 1999-2003 period.

The CBO staff contact for this estimate is Victoria V. Heid. This estimate was approved by Robert A. Sunshine, Deputy Assistant Director for Budget Analysis.
